Somatic Awareness Healing

AmpCoil Session and Cancellation Policies

Welcome! You have chosen to receive AmpCoil sessions from myself, Lynne Maclean and Somatic Awareness Healing. This document will cover session and office policies. Should questions or concerns about this policy arise during our work together, I will do my best to answer them in full and work toward a reasonable solution.

It is important to remember I am not a medical professional. I make no claims, promises or guarantees. I do not diagnose or provide medical treatment. You are solely responsible for seeing to and continuing your own medical treatment and care. I will guide you to the best of my knowledge with working with the AmpCoil. It is your responsibility to tell me when you are uncomfortable with any parts of a session. We can adjust at that point or attend to what is arising. You have the right to refuse or terminate our work at all times.

Sessions are structured around your desired goals. The amount of sessions will depend on many factors but it is recommended to use the device a minimum of 3 times a week if you are looking to support symptoms from chronic auto immune. It's important to let me know if you are immunocompromised and to what degree. If you have been diagnosed by a doctor with a specific condition we can design sessions around that. Those who are severely immunocompromised and are known to have Herxheimer reactions (herxing) will need more sessions than those who don't. Together we can create the appropriate session package to meet your needs.

FEES

Session lengths vary but they will generally last between 60 and 90 minutes. I give price breaks for the number of sessions you purchase. Session price breakdown is as follows:

Number of Sessions	Price	Each
1	\$50	\$50
4	\$184	\$46.25
8	\$350	\$43.75
12	\$500	\$41.00

If you find yourself having severe herxing in between our scheduled sessions, we can see about getting you in to do Herx Help if my schedule allows. Herx Help is a 17 minute journey and the cost for that would be \$10.

Demo sessions are given for \$30. A demo is a 33 minute session to experience the AmpCoil to determine whether the device is something you want to work with. If you are unfamiliar with PEMF, I highly recommend doing a demo prior to committing to any session packages.

Fees should be paid at the end of each session unless other arrangements have been made. Please note that I will keep a copy of a valid credit card number on file. I will only charge your credit card in the event that you fail to pay any remaining balance you may have with me. I will always inform you that I will be applying a charge prior to doing so.

If there is a balance of two sessions, another appointment cannot be scheduled until the balance has been paid. Payment for services which is past due over 120 days may be subject to collection through the use of a collection agency .

Exp. Date: _____ CCV#: _____

CANCELLATIONS

If you decide that you need to cancel a session please contact me 24 hours before at (310) 497-5064. This means that if you have an appointment at 11:00am on Tuesday, you would need to cancel by 11:00am on Monday. This will allow me time to reschedule other clients who could benefit from the availability. If you do not cancel, I will expect you to pay for the missed session in full. If I can reschedule you for another time within that week, then I will not charge for the cancelled session. If you cancel the day of the appointment, there will be a charge for the session even if you reschedule for another time that week. You are responsible for coming to your session on time. If you are late, I will do all I can to adjust due to unexpected time constraints if my schedule allows. However, it will be highly likely that we won't be able to complete all journeys and will have to make adjustments. These policies apply to me also. I will contact you with at least 24 hours notice if I need to reschedule. If for any reason I miss our scheduled appointment without notifying you, I will provide your next session free of charge. True emergency situations that cannot be foreseen can be negotiated (sudden illnesses, accidents, or unpredicted loss of childcare).

Please sign here to verify you have read and understood all of the above information.
